WORK EXPERIENCE

Social Media Manager | Happy Fit, Singen | Jan 2025 – Present

- Grew organic reach from 10,000 to 70,000 monthly impressions through a consistent content strategy and platform-specific storytelling across 4 channels.
- Produced 2+ posts per week per channel: full workflow from concept, filming, and editing (Premiere Pro / CapCut) to publishing, independently and without an agency.
- Independently developed the content strategy for Instagram & Facebook, from format idea to finished post, without external briefing.

Freelance Graphic Designer | Self-employed | Nov 2024 – Present

- Delivered end-to-end brand and content design for multiple fitness industry clients, including social media content, websites, and corporate design.
- Developed a complete rebranding concept for Café Noordlicht as part of studies, logo design, corporate design, and a full brand strategy.

Fitness Trainer | Happy Fit, Singen | May 2023 – Dec 2025

- Conducted individual training sessions and created personalized training and nutrition plans.
- Developed in-depth understanding of the fitness industry and its target audience, directly applied in content and design work for Happy Fit and freelance fitness clients.

Internship Video Formats Blick TV | Ringier AG – Blick, Zurich | Sep 2022 – Feb 2023

- Contributed over 6 months to two weekly studio productions in the video formats team, including conception, on-location shoots, and digital processing of internal and external productions.
- Prepared storytelling content and broadcast concepts, and supported post-production with Photoshop and graphic preparation.
- Weekly analysis of content reach for continuous format optimization.

EDUCATION

Online Media B.Sc. | Hochschule Furtwangen University, Furtwangen | Oct 2021 – Aug 2026
